FOR IMMEDIATE RELEASE:

“The Evolving Leadership Context: Respectful Workplaces” Video Released

Richmond, Virginia—November 4, 2011 New Video Illustrates the Importance of “Respectful Workplace Behavior”

As a companion to the Graphic “Ethical Interpersonal Behavior” Leading in Context LLC has released a new leadership training video that explains how the latest research raises the stakes for leaders and changes how we think about respect in the workplace.

The video walks leaders through how the context for leadership is changing and what we now know from research about the importance of building a respectful work place.

Human Resource Managers, Chief Learning Officers and CEOs will find that this information is compelling and will want their leaders to be aware of it.

“It just might change how you think about leadership”
